†Membership

Any person having an interest in the Corporation's goals and values may become a member of the Corporation upon the submission of a written membership application form together with the initial fee required for the first year of membership applicable to the desired membership tier as shown within the Application Fee Schedule on this application. Details of the benefits, rights and privileges of the different Membership classes and tiers are represented within the Bylaws of the Corporation and are posted on the Corporation's website. The Corporation reserves the right to accept or reject any person's application in its sole discretion. In addition, in the case of an association, consortium, membership organization, collaborative, joint venture, or other formal or informal affiliation of entities seeking admission as a Sustaining Member, the applicant shall agree as a condition of membership not to grant access to the enjoyment of Sustaining Membership benefits, including access to proprietary information of the Corporation, to its members.

Annual Membership: Annual membership includes member mailings and Symposium attendance and other benefits as detailed within the Application Fee Schedule.

Membership Upgrade: All sustaining members may upgrade their memberships except for Sponsors. The Sustaining company will pay the new membership level renewal rate, in addition to a one-time administrative upgrade fee of \$5,000.

Membership fees and dues are reviewed on an annual basis as part of the Corporation's business planning process with the approval of the Board of Directors. Any such change shall be effective with respect to each member only upon the expiration of such member's current membership period.

*Requires approval of the Foundation President.
