Where Our National Security Begins...
Agenda

- NGA Engagements
- New Topic Areas
  - Teams forming
  - Initial participants
- GeoINT 2018
  - NGA/NRO brief
  - Govt pavilion stage
- Action Item update
Two initial cross table discussions on Aligning Acquisition Strategies to Contract Structure

- Govt would like to set up an initial cross table discussion on **Modular Contracting**
  - **Awaiting** Govt availability date for planning group meeting (pre GeoINT is goal)
  - Part of Aligning Acquisition Strategies to Contract Structure
- Govt would like to engage on **Commercial Best Practices** (Product Manager/Owner)
  - Coordination in progress
Reverse Industry Day (RID)

The RID is where industry presents topics and sits on panels during a day-long event (or two half days).

Notes

– Obtain a date from NGA to begin planning
  • Plan enough knowledge to “announce” a future session at GeoINT 2018.
– Plan to execute a “fall” session (Early Oct 2018)

Details to be worked by Action Team

Will form in April 2018
Way forward…

For each topic
- Identify Leader(s) & Members
- Forming teams in April

Action Team
- Refine topic focus
- Describe Terms of Reference
- Develop Work Plan/Schedule
Planning joint NGA/NRO Working Group Brief

Planning support to NGA Government Panel
  – NGA is changing approach to panel for 2018

Supporting USGIF
  – Working Groups
  – Dinners
