BACK BY POPULAR DEMAND... THE GEOINT 2025 VISTA HUB

What critical issues does the GEOINT community need to focus on right now? The GEOINT 2025 Vista Hub presents a unique opportunity for you to contribute your insights on the crucial topics that should be at the forefront of discussion.

Located on the show floor of the GEOINT 2025 Symposium, this thought leadership hub serves as a platform for visionary leaders from our community to share their perspectives on contemporary GEOINT issues with an interested and engaged audience. Your goal is not to deliver a sales pitch, but to offer your thoughts on impactful topics that the GEOINT community should grapple with. The aim is to educate and persuade, not promote.

Vista Hub Session - $7,500

Do you have a forward-looking topic that deserves to be shared? Applications will be accepted until November 8, 2024. Apply today – don’t miss out on this unique opportunity!

Criteria

- This opportunity is limited to USGIF member organizations.
- USGIF will carefully curate a mix of impactful topics through a combination of keynote and panels discussions from applicants.
- These up to 45-minute sessions will be held Monday-Wednesday afternoons on the Exhibit Hall show floor.
- Global and national security-related GEOINT topics that address the theme: “Building a Secure Tomorrow Together” are preferred.
- Session fee upon selection: $7,500 (includes two exhibit hall passes).

How to Apply

To be considered to present a sponsored session at the GEOINT 2025 Vista Hub, submit the following information via this form no later than November 8, 2024.

Required Information

- Title of presentation (12 words max)
- Name, title, and short biographies for proposed speaker(s)
- Abstract description of the session, including session type, e.g., keynote or panel (200 words max)
- A brief reason why this topic is important for the GEOINT Community (200 words max)
- Anticipated A/V requests (USGIF will provide a basic A/V package, which will include a laptop, screen, and audio. Any additional A/V needs will have to be discussed with the USGIF team and covered by presenting organization).

Selection Process

USGIF will review submissions and select proposed sessions that will collectively deliver a variety of engaging and educational content to Symposium attendees. We will notify session sponsors of their selection on or before January 8. Selected organizations will have two business days to confirm their intent to proceed.
